Robert McKernan, museum director, 909-307-2669 ext. 263

Michelle Dennehy, The Forest Foundation, 530-823-2363

About The Forest Foundation

The Forest Foundation is a non-profit organization created in 1994 to inform the public, specifically Californians, about the relationship between the environment and human needs. The Forest Foundation strives to foster public understanding of the role forests play in the environmental and economic health of the state and the necessity of managing a portion of California's private and public forests to provide wood products for a growing population.
